Welcome to the Fall 2010 season of Clarke County youth soccer!

REGISTRATION: Registrations must be postmarked or received no later than July 15th. The registration fee is \$40/child for recreational league (U6-U12) and \$50/child for SFL (U14-U19). Registration may be completed online for current or former CCYSA players. If you would like to be considered for a scholarship, please submit the scholarship application with the registration form. Scholarship applications must be received/postmarked by July 15th to be reviewed for the Fall 2010 season.

LATE REGISTRATION: Those registrations postmarked or received after July 15th will be considered late. The registration fee after July 15th is \$60/child for rec league (U6-U12) and \$70/child for SFL league (U14-U19). These players will be placed on teams as space becomes available, on a first come first serve basis. Late registrations are not guaranteed placement on a team. Registration is cutoff on July 31st, so that coaches can be found, teams rostered and equipment ordered.

BIRTH CERTIFICATES: If this is your child's first time playing with CCYSA, you must provide a copy of their birth certificate with their registration.

SERVICE CHARGE: A \$10 service fee is charged on all returned checks (& your child is not registered until payment is complete).

PRACTICES: Practices will be held Monday thru Friday for one hour, from either 5-6pm or 6-7pm. The U6 teams will practice one night a week. The U8, U10, U12, U14, U16 and U19 teams will practice two nights a week. The practices will be held either at the Clarke County Parks and Recreation Center or possibly JW Middle School. Each parent is responsible for getting their children to practices & games. The practice days and times are determined by the coach, so actual practice days for your child will not be known until mid-August when the coaches are assigned teams. If there is one day a week that you cannot practice, please mark it on your registration, but keep in mind that limiting your availability may prevent us from keeping siblings to the same practice days.

GAMES: Games will be held every Saturday. The first games will be held on Saturday, September 11th. The last game will be held on Saturday, October 30th (SFL may be later), not counting rain make-ups or tournaments. The U6, U8, U10 and U12 games are held at the CCPR fields. The U14, U16 and U19 teams will play home games at the CCPR fields and be required to travel to surrounding counties for away games.

UNIFORMS: Every child must be equipped with shin guards. Soccer socks and molded cleats (no metal cleats) should be worn for games, in addition to the team shirt provided by CCYSA. You may be able to find needed items through our Equipment Exchange (you don't need to trade equipment to get equipment). Additionally, U6 players will receive a free soccer ball.

VOLUNTEERS: Please remember that CCYSA is run completely by volunteers. If you can offer any assistance, please let us know in what capacity. We are always in need of coaches and are willing to train anyone interested. Experience is a plus, but not a necessity. CCYSA maintains a library of books & videos and clinics are offered at least annually. There is also a great deal of information on our website under the "Coaches" tab, including coaching manuals and the rules of youth soccer. If coaching isn't your thing, the Board of Directors is always looking for volunteers to help throughout the season, as well.

CODE OF CONDUCT: A breach in the Code of Conduct may result in dismissal from the CCYSA league with no refunds given. Respect your coach, your referee, your teammates and your opposition!

SPECIAL REQUESTS: Team requests will only be honored from the coach, assistant coach & team sponsor. Other players will be rostered as best suits the needs of the league (achieving even gender and age ratios). CCYSA does make an effort to consolidate sibling practices to the same nights.

FAQ: Frequently Asked Questions are answered on our website (www.clarkesoccer.org). You can also find lots of useful information there, including schedules (practice, game, team pictures), field maps, forms (registration, medical release, code of conduct), coaching manuals, referee information, even field closures. Be sure to check it throughout the season! It is continually updated.
